Notes for Board Training Segment:

**In the Franklin School of Innovation Charter we said:**

The Board of Directors is responsible for governance and oversight of the school. The Board’s roles, responsibilities, and decision-making process are based on the Board Governance Training Manual ([http://www.charterschooltools.org/tools/BoardGovernanceTrainingManual.pdf](http://www.charterschooltools.org/tools/BoardGovernanceTrainingManual.pdf)).
In the Board Governance Training Manual on page 94 it says:
[http://www.charterschooltools.org/tools/BoardGovernanceTrainingManual.pdf][sic] The executive committee: Making decisions on behalf of the full board. Between the regular meetings of the board the executive committee can make decisions that can't wait for the next regular board meeting or on matters that the full board has delegated authority to the executive committee. In both cases, the executive committee receives its authority from the full board and needs to report on its decision-making at the subsequent meeting of the board.

Legally reviewed language for a motion:
In keeping with the charter school tools Board Governance Training Manual and our bylaws, specifically the delegation clause and the powers clause but in keeping with the open meeting commitment, the board of directors of FSI hereby delegates authority to its Executive Committee which consists of (Chair, Vice Chair, Treasurer, Secretary) to act in between board meetings on matters critical to the ongoing operations of the school provided that such actions are shared with the full board as soon as practicable and provided that such actions are incorporated in the next board meeting agenda for formal ratification.

Also see page 43 about Executive Closed Sessions:
1. The LHS Faculty Representative shall not be present for the discussion and vote on any matter involving: (a) the performance evaluation or discipline of any administrator or faculty member; (b) administrator or faculty compensation; (c) Executive Sessions of the Board; or (d) any other matter at the discretion of a majority of the Trustees then present.

Directors Reports-
Current numbers are 362. Note ADM will be slightly lower based on numbers not in attendance day one.
