

High School Course Supply List

2021-2022 School Year

Dear Franklin Families -

We are so excited to work with you and your student/s in the coming school year! When students have all of their supplies ready for the beginning of school, we are able to jump into deeper learning from day one. Please note that your students may or may not be in all of the classes listed for each grade level. ***TBD** (to be determined) indicates this is a new faculty member who has not yet listed supplies. S/he will let students know of any supplies needed for that course on the first day of class.
